martin@tokman.com.ar

Buenos Aires - Argentina

TECHNICAL SKILLS

- Power BI
- SQL / ETL / SSIS
- MS EXCEL
- PHP / HTML / CSS
- PYTHON
- Data Wrangling / Cleansing
- Virtual Networks
- Clud services
- Hardware in general

SOFT SKILLS

- Effective communication
- Critical thinking
- Adaptability
- Collaborative
- Detail-oriented
- Continuous improvement mindset
- Creative
- Empathetic
- Curious

LANGUAGES

Spanish: Native

English: Advanced

EXPERIENCE

2023-
Now

Data Analyst - Python Developer

Results-driven Data Analyst with a strong background in developing impactful Power BI reports, extracting and preprocessing data from SQL databases, and implementing Python automation.

Proficient in ETL processes and SSIS for seamless data integration. Key achievements include optimizing data extraction processes and implementing Python automation scripts, resulting in a 90% reduction in processing time. Seeking a role to leverage these skills and achievements in contributing to data-driven decision-making.

1997-
2020

Company Owner

Versatile IT professional specializing in infrastructure management and website/PHP development, with expertise in:

- Web Application Development: Proficient in PHP, HTML, CSS, and JavaScript for crafting robust web applications.
- Domain Server and SQL Database Administration: Extensive experience in administering domain servers and SQL databases, including MySQL.
- Virtual Networks and Cloud Services: Adept at managing virtual networks and utilizing cloud services to enhance infrastructure efficiency.
- Structured Cabling and Connectivity Equipment: Expertise in structured cabling and configuring connectivity equipment for seamless operations.
- Level 1 and 2 Technical Support: Proven track record in providing technical support at both Level 1 and Level 2, ensuring optimal system performance.
- Hardware Integration, Assembly, and Repair: Proficient in integrating, assembling, and repairing hardware components for reliable IT infrastructure.

EDUCATION

2024

Teclab

Superior Data Science Technician

2023

FreeCodeCamp

Data Analysis with Python

Cognitive Class

IBM PY0101EN: Python 101 for Data Science

CERTIFICATIONS

- IBM: Analyzing Data with Python: (DA0101EN)
- IBM: Python 101 for Data Science (PY0101EN)
- FreeCodeCamp: Data Analysis with Python
- Microsoft Certified: Azure Fundamentals
